OVERTIME FORMATS

NCAA regular-season games feature a five-minute, full-strength, sudden-death overtime. After that conferences have the option of additional measures to determine a winner for conference standings in conference games only. Non-conference games end in a tie. Each conference's approach if no goal is scored in the five-minute overtime:

Atlantic Hockey, ECAC Hockey & Hockey East: Game ends in a tie Big Ten, NCHC & WCHA: Five-minute 3-on-3 overtime; if still tied a sudden-death shootout follows
